Class Assemblies

Thank you to those of you who attended either Elm or Birch Class' Assemblies over this last week. It has been a delight to share what the children have been learning about and to see their enthusiasm.

Beech Class are due to have their assembly on Wednesday 7th March and it will then be Willow Class on Wednesday 14th March. We look forward to Maple Class on Wednesday 9th May and Oak Class on Wednesday 25th July.

To keep up to date with your child's learning activities, we ask that you keep an eye on the weekly blog entries on our school website. These contain photos and updates of class learning, including the 'Word of the Week'.

Keeping Children Safe

Following on from [World Safer Internet Day 2018](#), we sent home a link to conversation starters for parents. We do hope that these have been useful to you. For further advice and resources to support you, please go to www.childnet.com/parents-and-carers.

Our recent NSPCC workshops and assemblies have been a real

success and a useful time to ensure our pupils are better equipped to keep themselves safe from harm or exploitation. Again, we want to thank you for supporting this fundraising event as we are seeing the direct impact of the important work of the NSPCC in schools.

Through both World Safer Internet Day and the NSPCC input, pupils are being reminded to pass on any concerns or worries to a trusted adult.

Sports Relief 5-a-side Football Tournament

We are organising a staff and parents 5-a-side football tournament on Tuesday 13th March to raise money for Sports Relief. The event will be held on our MUGA at 3:45pm with teams made up of either parents or staff. There will be an entry fee of £2 per person and teams/squads must consist of a minimum of 2 female players playing at any one time.

Pupils are welcome to stay after school (with their parents) to watch this fun event. We hope to raise a good amount of money for Sports Relief and make the most of an opportunity to involve staff and parents in sport. It will be fun!

It would be great to have at least 1 team of parents per class entering the event. You can collect an entry form from the School Office. Please note that, as a result, **THERE WILL BE NO GIRLS FOOTBALL TRAINING ON TUESDAY 13th MARCH.**

School Governor Vacancies

The Governing Body have a key role to play in the successful leadership and direction of the school. At Lambley Primary School, we have a fabulous team of school governors who have been recognised externally for their skills and effective leadership. They make a considerable difference to the pupils at Lambley Primary School by ensuring that key decisions are always based on the best interests of the pupils whom we serve.

If you are interested in finding out more about the role of the governing body and you would like to find out more about potentially becoming a school governor, please go to our school website at www.lambleyprimaryschool.org.uk/about-us/meet-the-governors/.

We will be sending out information separately about two current Parent Governor vacancies. We also have a vacancy for a Co-opted Governor which can be someone with the relevant skillset from the wider community. You or someone you know, may be perfect for one of these roles.
