Staff News

At the end of this school we will sadly be saying goodbye to Miss Hall as she moves on to a new role as Head of Mathematics at Nottingham High School Infants and Junior School. As a result, we will soon be advertising for a class teacher role. Throughout her time with us, she has brought passion to both her teaching role and leadership of mathematics and the school choir. She has also made considerable contributions in her previous role as Staff Governor. I want to take the opportunity to thank her for the difference she has made to our school over the past 2 ½ years.

Mr Riley is soon going to be finishing his teacher training placement with us and moving on to his final placement at Mapperwells Primary in Sutton in Ashfield. Birch Class have benefitted from him working alongside Miss Hall and we have all enjoyed having him as part of the team. We wish him every success in the coming term and his future career.

At the end of this term, we will be saying goodbye to Mrs Pat Westby, our Senior Midday Supervisor as she retires and goes off on adventures in far-flung places. She will continue to work for us on a sessional basis as a supply MDS. We have now begun the recruitment process and will soon welcome a new member to the team and will keep you informed.

New Parent Governors

Liam Wiltshire and Luke Richardson are our newly elected parent governors.

Parents vs Staff Football for Sports Relief

Parents and Staff are coming together at 3:45pm today for a charity football tournament to raise funds for Sports Relief. They will be competing for our new Lambley Community Shield. Members of the school community are welcome to come along to support the event. There will also be a raffle.

This is the first official community event to take place on our MUGA. We hope it will be the first of many!

Supporting the Development of Reading

We are always looking out for adults with some time to spare on a regular basis, to listen to children read. If this interests you, please speak to your child's class teacher. We would love to have a few more volunteers on board.

If you are one of our regular helpers, coming into school to listen to children read, we would like to invite you to attend a short training session on **Monday 16th April at 2:30pm**. In this session, Mrs Berber (English Leader) will share strategies we have been developing across school to support children with decoding words and ideas to help support the development of reading comprehension through. If you are interested and can make yourself available, please speak to the relevant class teacher and they will add your name to the list.

Diary Dates for the remainder of the term

Please note that the last day of term is Thursday 29th April. We re-open for the Summer Term on Monday 16th April.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Vicky Dilnot, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.
