

Teacher & Subject Leader Vacancy

Are you an excellent teacher with enthusiasm and creativity? Are you committed to ensuring the very best outcomes for children and working collaboratively with colleagues to share good practice?

We have an exciting opportunity to appoint a full-time, experienced teacher to join our friendly, creative and dedicated team. Our most recent Ofsted inspection (January 2018) confirmed that the school continues to be good and recognised that we have a team who are committed to doing its best for pupils. We are a happy school community where, staff, governors and volunteers work together well, supporting each other and contributing to the school's ongoing improvement work. Our children take on responsibility and are enthusiastic, independent learners. It is a fabulous place to work.

Lambley Primary School is a growing and successful village school with strong links to the local community. We work closely with other Primary Schools in our family and are also members of the Candleby Lane Teaching School Alliance. There is therefore plenty of opportunity for development, support and CPD.

The successful applicant will be required to lead a core curriculum subject, working closely with the senior leadership team on whole school improvement priorities. They will teach in either KS1 or KS2, depending on experience.
