5th October, 2018

Decorate a Fish for our Differences Display!

Your child will be bringing home a small paper fish. This is linked to a book we have been using for our Autumn Term Assemblies. The book is called Only One You by Linda Kranz.

We would like to receive these by Friday 19th October so they can be used as part of our central display. We hope that every child will be represented!

Harvest Festival on Thursday 11th October

This coming Thursday is our school harvest festival. We will be gathering together for a special assembly at 2:45pm to sing some harvest songs and say thank you for the harvest.

We are asking that each child bring in to school a donation for our harvest table. This needs to be a non-perishable item as these will then be donated to charity to be distributed to people living locally in poverty or homelessness.

We hope as many of you as possible are able to join us for this event.

Y4/5 Residential to Castleton, Derbyshire

By now, you should have received a letter and EV4 form for our upcoming Y4/5 Residential Trip. This year we are taking our Y4 and Y5 pupils (from Beech and Maple Classes) away on a 2-night residential trip to Castleton in March 2019. For this trip, we will stay in Castleton YHA Losehill Hall, a beautiful building set in the stunning Peak District. You can view details of this by following the link: [Losehill YHA](#). We are holding a parents & carers information session this coming Thursday (11th October) at 3:30pm where we will share details of the trip. It is the perfect opportunity to ask any questions you may have. Going forwards, this will become a yearly Y4 Residential and following on from this, they will go on a Y6 Residential trip in a contrasting location with very different activities. This means if your child is in Y4 now, they will not go on Residential trip again until they are in Y6.

Payments for trips can be made by cash or cheque. If you decide to pay by cheque, this needs to be made payable to 'Notts County Council Lambley Primary School'.

Invitation to our Fly on the Wall Phonics in Willow Event

On Wednesday 14th November, at 9:10am, we will be opening the doors to parents and carers to come and join Willow Class for Phonics. This is a fabulous opportunity to find out how phonics is taught and also to catch a glimpse of how your child is settling into learning activities and school life. Please pop the date in the diary and let your child's teacher know if you plan to attend.

We believe that safeguarding children is everyone's responsibility.

At Lambley we are committed to keeping our children safe from harm. Vicky Dilnot, Rebecca Shardlow and Jennifer Swinburne have responsibility for safeguarding & child protection. If we have any concerns reported to us we will always take action to protect a child and inform the relevant agencies.

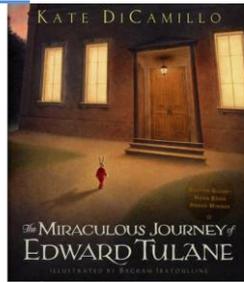

Lambley Newsletter 5

Reading in an Exciting Place

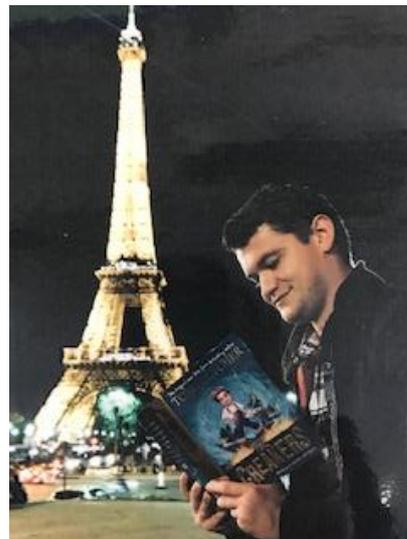

The classroom reading corners are developing nicely and it is encouraging to see so many pupils demonstrating enthusiasm for reading. We really want our classroom reading corners to show a photo of every child reading a book in an unusual place. This is not only to help develop a positive reading culture but also a way of helping every child feel very much an important part of their class team.

Can we ask those of you who have not yet sent in a photograph to please do so soon so that your child can be represented in the class reading corner? Please remember that if you are unable to print out a photo at home, you can email it to the school office.

I have recently begun to read one of my favourite books to Y6; *The Miraculous Journey of Edward Tulane* by Kate Di Camillo. This is a book that I recommend highly but please be warned, it is a bit of a tear-jerker! I read it in a couple of unusual places including while on an aeroplane, in a skateboard bowl and up in a tree house!

We can't wait to see all of the interesting places your children have been spotted reading and look forward to receiving their photos.

Enjoy your weekend!

Vicky Dilnot
